BG09 PROGRAMME „EUROPEAN ECONOMIC AREA SCHOLARSHIP FUND”**

FOURTH CALL FOR PROPOSALS

MOBILITY PROJECTS IN HIGHER EDUCATION MEASURE
AUTUMN/WINTER SEMESTER OF 2015/2016 ACADEMIC YEAR

SELECTION RESULTS

LIST OF PROJECT PROPOSALS, WHICH HAVE BEEN APPROVED FOR FUNDING

MOBILITY OF STUDENTS COMPONENT

Project	Name	Candidate	Partner	Budget(EEA Grant)	Project description
1.	<i>Participation in training course in Norwegian language and literature</i>	Margret Blazheva Ruseva <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	<i>University of Tromso, Norway</i>	1950 €+ training fee	<i>Project activities:</i> <i>Participation in training course in Norwegian language and literature.</i> <i>Mobility period:</i> <i>01-30.09.2015</i>
2.	<i>Participation in training doctoral candidates and research work related to the applicant's Ph. D. dissertation thesis entitled "The contribution of Scandinavian comparatists for development of</i>	Teodora Stoyanova Genova Стоянова Генова <i>Doctoral candidate in Comparative Education St. Kliment Ohridski University of Sofia</i>	<i>University of Oslo, Norway</i>	3190 €+ training fee	<i>Project activities:</i> <i>Participation in training doctoral candidates and research work related to the applicant's Ph. D. dissertation thesis entitled "The contribution of Scandinavian comparatists for development of comparative education"</i> <i>Mobility period:</i> <i>17.08-17.10.2015.</i>

	<i>comparative education”</i>				
3.	<i>Participation in training course in Norwegian language, level B1</i>	Boryana Stanislavova Stoichkova <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	<i>Higher public school Nansenskolen, Lillehammer, Norway</i>	1470 €+ training fee	<i>Project activities:</i> <i>Participation in training course in Norwegian language, level B1</i> <i>Mobility period:</i> <i>02.08-19.08.2015</i>
4.	<i>Participation in training course in Norwegian language, level B1</i>	Mario Radoslavov Yotov <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	<i>Higher public school Nansenskolen, Lillehammer, Norway</i>	1470 €+ training fee	<i>Project activities:</i> <i>Participation in training course in Norwegian language, level B1</i> <i>Mobility period:</i> <i>02.08-19.08.2015</i>
5.	<i>Participation in training course in Norwegian language and literature</i>	Agnesa Rosenova Mihova <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	<i>University of Tromso, Norway</i>	1950 €+ training fee	<i>Project activities:</i> <i>Participation in training course in Norwegian language and literature.</i> <i>Mobility period:</i> <i>01-30.09.2015</i>

LIST OF PROJECT PROPOSALS, WHICH HAVE BEEN APPROVED FOR FUNDING

MOBILITY OF ACADEMIC, RESEARCH AND ADMINISTRATIVE STAFF COMPONENT

Project	Name	Candidate	Partner	Budget (EEA Grant)	Project description
1.	<i>Visits in universities and colleges in the field of Special Education.</i>	Milen Zamfirov Zamfirov <i>Academic staff member St. Kliment Ohridski University of Sofia</i>	The Icelandic Centre for research, RANNIS	1871 €	<i>The project is in priority field – Special Education. Project activities: Visits in the University of Iceland, the University of Akureyri and the Hamrahlló College in the field of Special Education. Exchange of experience. Meetings with peers. Preparation for concluding bilateral agreements with the both host universities. Mobility period: 01-08.09.2015.</i>
2.	<i>Study on the Norwegian criminal law and the system and the policies</i>	Slavka Dimova Dimitrova-Simeonova, Ph. D.	<i>University of Bergen</i>	2328 €	<i>The project is in priority field – human rights, with a focus on Roma</i>

	<i>for execution of sentences</i>	<i>Academic staff member Free University of Bourgas</i>			<i>Project activities:</i> <i>Study on the Norwegian penal law system and the policies for implementation of penalties at prisons. Part of the study is targeted to human rights in execution of sentences.</i> <i>Mobility period:</i> <i>02-19.09.2015</i>
3.	<i>Study on the educational approaches in the field of integration of marginalized groups, inclusive and intercultural education in Norway</i>	Siyka Georgieva Chavdarova-Kostova, Assoc. Prof. Ph. D. <i>Academic staff member St. Kliment Ohridski University of Sofia</i>	<i>University colleges of Oslo and Akershus, Norway</i>	1700 €	<i>The project is in priority field – integration of marginalized groups, inclusive and intercultural education, with a focus on Roma</i> <i>Project activities:</i> <i>Studying the educational approaches in the field of integration of marginalized groups, inclusive and intercultural education in Norway, participation in summer school on the theme „A Nordic Model?“, organized by the Norwegian Centre of Excellence “Justice through Education in the Scandinavian Countries”, meetings with peers, exchange of experience</i>

					<i>and best practices.</i> Mobility period: 17-23.08.2015
4.	<i>Consultations on the project entitled “Ethnical dimensions of inequalities in remuneration by gender”</i>	Shaban Shaban Darakchi, Ph. D. <i>Researcher</i> <i>Bulgarian Academy of Sciences – Institute for the Study of Societies and Knowledge</i>	<i>RIKK – Institute for Gender, Equality and Difference, Reykjavik, Iceland</i>	2100 €	<i>The project is in priority field – integration of various ethno-cultural groups, with a focus on Roma</i> Project activities: <i>Consultations on the project entitled “Ethnical dimensions of inequalities in remuneration by gender”; delivering a public lecture entitled “Gender based inequalities in Bulgaria – problems and approaches”; bibliographic study, research, establishment of professional contacts with peers, cooperation.</i> Mobility period: 21.09-04.10.2015
5.	<i>Training in mass spectroscopic methods and photochemical internalization</i>	Vanya Petkova Bogoeva, Ph. D. <i>Researcher</i> <i>Bulgarian Academy of</i>	<i>Norwegian University for Science and technologies,</i>	2500 €	Project activities: <i>acquiring new methods and techniques, obtaining new scientific results and data related to studying glioblastoma</i>

		<i>Sciences – Institute of Molecular Biology</i>	<i>Trondheim, Norway</i>		<i>and bladder cancer diseases. Mobility period: 3 weeks in October 2015, dates tbc.</i>
6.	<i>Exchange of experience in the field of façade related constructions</i>	Veselin Slavchev Slavchev, Assoc. Prof. Ph. D. <i>Academic staff member Lyuben Karavelov Higher School of Building and Construction – Sofia</i>	<i>University of Liechtenstein</i>	1700 €	<i>Project activities:</i> <i>Exchange of experience in the field of façade related constructions; delivering a presentation on the project “FLUIDGLASS – solar thermal facades with adjustable transparency”</i> <i>Mobility period:</i> <i>21-25.09.2015</i>
7.	<i>Exchange of experience on the methods for studying the structure and the functioning and the ecologic state of coastal marine benthic ecosystems in the Black Sea and the Atlantic coast of Norway</i>	Dimitar Nikolov Berov, Ph. D. <i>Researcher Bulgarian Academy of Sciences – Institute for Biodiversity and Ecosystem Research</i>	<i>Norwegian Institute of Water Research, Oslo, Norway</i>	from 1700 € to 2500 € depending on the particular mobility period	<i>Project activities:</i> <i>Exchange of experience on the methods for studying the structure and the functioning and the ecologic state of coastal marine benthic ecosystems in the Black Sea and the Atlantic coast of Norway. Research, mapping and classification of marine benthic habitats. Presentation of elements of the applicant’s dissertation</i>

					<i>thesis related to innovative methods for scientific diving and mapping marine benthic habitats.</i> Mobility period: early winter of 2016
8.	<i>Participation in the 8th International scientific symposium ProGEO with a paper entitled “Karst geological phenomena in Bulgaria”</i>	Konstantin Simeonov Kostov, Ph. D. <i>Researcher Bulgarian Academy of Sciences – Institute of Geology</i>	<i>Iceland Travel Conference</i>	1700 €	Project activities: <i>Participation in the 8th International scientific symposium ProGEO with a paper entitled “Karst geological phenomena in Bulgaria”</i> Mobility period: 08-12.09.2015
9.	<i>Possibilities for studying triticale spices with different origin in extreme conditions</i>	Hristofor Kirchev Kirchev, Ph. D. <i>Academic staff member Agricultural University – Plovdiv</i>	<i>Norwegian University of Life Sciences</i>	1700 €	Project activities: <i>participation in research activities, field visits, exchange of experience</i> Mobility period: 01-08.08.2015
10.	<i>Exchange of experience</i>	Prof. Meglena Zhivkova Apostolova <i>Academic staff member Episkop Konstantin</i>	<i>University of Bergen</i>	1757 €	Project activities: <i>joint work with Prof. Eynar Rotingen; comparative analysis of curricula and study modules in the home and the host institutions; getting familiar with</i>

		<i>Preslavski University of Shoumen</i>			<i>the original musical scores of Grieg at the Grieg research centre to the University of Bergen; establishing a cooperation network between the both universities.</i> Mobility period: 05-12.10.2015
11.	<i>Creation of cereal based functional healthy foods (enriching bakery products with dietary fibbers)</i>	Tzvetelin Teodosiev Dessev, Assoc. Prof. Ph. D. <i>Academic staff member University of Food Technologies – Plovdiv</i>	<i>NOFIMA MAT, As, Norway</i>	2500 €	Project activities: <i>determination of the biaxial extensional viscosity of bread dough enriched with dietary fibbers. Study on the impact of the biaxial extensional viscosity of bread dough enriched with dietary fibbers on baking performance and characteristics of the baked product. Preparation of a joint publication. Strengthening inter-institutional cooperation.</i> Mobility period: 28.09-18.10.2015
12.	<i>Study on the possibilities for applying computer games in educational</i>	Daniela Ivanova Tuparova, Assoc. Prof. Ph. D. <i>Academic staff member</i>	<i>University of Agder, Kristiansand, Norway</i>	1871 €	<i>The project is in priority field related to intercultural education.</i> Project activities: <i>Study on the possibilities for applying computer</i>

	<i>software in intercultural education and in the education in Maths.</i>	<i>Neofit Rilski South-Western University – Blagoevgrad</i>			<i>games in educational software in intercultural education and in the education in Maths; participation in the 9th European Conference on Games Based Learning 2015, Nord-Trondelag University College, 2p. Steinkjer, Norway. Mobility period: 23.09-10.10.2015</i>
13.	<i>Comparison of prototype and semantic networks of verbal prefixes in Bulgarian and Russian</i>	Svetlana Yordanova Nedelcheva, Ph. D. <i>Academic staff member Episkop Konstantin Preslavski University of Shoumen</i>	<i>University of Tromso, Norway</i>	1871 €	<i>Project activities:</i> <i>Comparative study on prototype and semantic networks of verbal prefixes in Bulgarian and Russian, work at the university library, preparation of a joint publication Mobility period: 09-17.10.2015</i>
14.	<i>Mutual learning and exchange of experience</i>	Tomina Rumenova Galibova <i>Administrative staff member Bulgarian Academy of Sciences</i>	<i>Norwegian University of Science and Technology – Trondheim, Norway</i>	1700 €	<i>Project activities:</i> <i>Mutual learning and exchange of experience, delivering a presentation about the Bulgarian Academy of Sciences, discussions on possibilities for future cooperation, including finalization of a draft project of a</i>

					<i>bilateral cooperation agreement</i> Mobility period: 21-25./09.2015
15.	<i>Possibilities for testing Norwegian and Bulgarian species of wheat in different soil and climatic conditions aimed to enrich the crops and the quality of grain</i>	Nadezhda Veselinova Semkova, Ph. D. <i>Administrative staff member who participates in a competition for appointing an academic staff member University of Agriculture – Plovdiv</i>	<i>Norwegian University of Life Sciences – Trondheim, Norway</i>	1757 €	Project activities: <i>exchange of experience, participation in field research, on-the-spot visits, establishing contacts with peers, visits of lecture classes and labs of Morten Lillemo, study on the possibilities for cooperation and exchange of students.</i> Mobility period: <i>01-08.08.2015</i>
16.	<i>Study on gold-cesia catalysts using Raman spectroscopy</i>	Ivan Bogoev Ivanov, Ph. D. <i>Researcher Bulgarian Academy of Sciences – Institute for Catalyst</i>	<i>Norwegian University of Life Sciences – Trondheim, Norway</i>	2500 €	Project activities: <i>Study on gold-cesia catalysts and obtaining data about the catalytic mechanisms. Training in a new method – raman spectroscopy. Analysis of raman spectroscopy data using software. Joint research with prof. Magnus Ronning. The research is related to delivering ecological pure hydrogen based fuels. Establishing new partnership aimed to research.</i>

					Mobility period: 21 days in November 2015
17.	<i>Urban linguistic landscaping in Norway and Bulgaria</i>	Prof. Mariya Zhivkova Grozeva-Minkova <i>Academic staff member New Bulgarian University</i>	University of Bergen	2100 €	Project activities: Collection of pictures and language data about using German language in the urban environment in Norway and Bulgaria; questionnaire study; bibliographic study; study on the attitudes towards presence of inscriptions in German; study on the language policy of Norway aimed to preservation of the native language. A presentation of the study results in the host university is envisaged. Mobility period:: 2 weeks In October 2015, dated tbc
18.	<i>Urban linguistic landscaping in Norway and Bulgaria</i>	Diyana Dimitrova Yankova <i>Academic staff member New Bulgarian University</i>	University of Bergen	2100 €	Project activities: Collection of pictures and language data about using English language in the urban environment in Norway and Bulgaria; questionnaire study;

					<p><i>bibliographic study; study on the attitudes towards presence of inscriptions in English; study on the language policy of Norway aimed to preservation of the native language. A presentation of the study results in the host university is envisaged.</i></p> <p>Mobility period: 2 weeks In October 2015, dated tbc</p>

LIST OF PROJECTS NOT APPROVED FOR FUNDING

MOBILITY OF STUDENTS COMPONENT

Project	Name	Candidate	Partner	Budget(EEA Grant)	Project description
1	<i>Participation in course in Norwegian language</i>	<p>Evgeniya Krasteva Krasteva</p> <p><i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i></p>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<p><i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i></p> <p><i>Mobility period:</i> <i>01-30.09.2015</i></p>

2	<i>Participation in course in Norwegian language</i>	Marta Mladenov <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i> <i>Mobility period:</i> <i>01-30.09.2015</i>
3	<i>Participation in course in Norwegian language</i>	Tzveta Plamenova Bobeva <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i> <i>Mobility period:</i> <i>01-30.09.2015</i>
4	<i>Participation in course in Norwegian language</i>	Yasna Alexandrova Muskova <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i> <i>Mobility period:</i> <i>01-30.09.2015</i>
5	<i>Participation in course in Norwegian language</i>	Olivera Ognyanova Kostova <i>Student in Scandinavian Studies, St. Kliment</i>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i> <i>Mobility period:</i> <i>01-30.09.2015</i>

		<i>Ohridski University of Sofia</i>			
6	<i>Participation in course in Norwegian language</i>	Hristina Nikolaeva Tankovska <i>Student in Scandinavian Studies, St. Kliment Ohridski University of Sofia</i>	Alfaskolen, Oslo, Norway	1950 €+ training fee	<i>Project activities:</i> <i>Participation in course in Norwegian language, level B1-B2</i> <i>Mobility period:</i> <i>01-30.09.2015</i>

MOBILITY OF ACADEMIC, RESEARCH AND ADMINISTRATIVE STAFF COMPONENT

Project	Name	Candidate	Partner	Budget(EEA Grant)	Project description
1	<i>Research on human Papiloma virus (HPV) aimed to assess the effect of applying prophylactic HPV vaccines</i>	Evelina Evlogieva Shikova-Lekova, M. D., Ph. D. <i>Researcher National centre on Национален център по заразни и паразитни болести</i>	<i>The Norwegian HPV Research Laboratory, Dept. of Microbiology and Infection Control, Akershus University Hospital at the Faculty of medicine of the University of Oslo, city of</i>	2185.71 €	<i>Project activities:</i> <i>getting familiar with the experience of the host institution and its participation in the monitoring programme of HPV vaccinations in Norway. Joint research in the field of HPV. Discussions on possible joint cooperation.</i>

			<i>Lorenskog, Norway</i>		<i>Mobility period: 08-14.10.2015</i>
2	<i>Delivering and attending lectures in English language for academic purposes and for special purposes. Exchange of experience and best practices.</i>	Albena Dimitrova Stefanova, Master <i>Academic staff member</i> <i>University of National and World Economy</i>	<i>University of Iceland, Reykjavik, Iceland</i>	1700 €	<i>Project activities: Delivering and attending lectures in English language for academic purposes and for special purposes. Exchange of experience and best practices, including with respect to training students with special education needs.</i> <i>Mobility period: 05-09.10.2015</i>
3	<i>Exchange of good practices in academic education and research, in particular in teaching in English for special purposes in the field of Economy and in training students with special needs.</i>	Albena Dimitrova Stefanova, Master <i>Academic staff member</i> <i>University of National and World Economy</i>	<i>University of Liechtenstein</i>	1700 €	<i>Project activities: Introduction to successful practices of the University of Liechtenstein related to training in English and training students with special needs; visits in study classes in English for academic purposes and business English; discussions on the problems in the field of language training;</i>

					<p><i>sharing good practices from Liechtenstein and Bulgaria; getting familiar with the possibilities for training students with special needs, including librarian resources; discussions on the possibilities for promoting bilateral cooperation.</i></p> <p><i>Mobility period: 21-25.09.2015</i></p>
4	<p><i>Exchange of experience in the field of Behavioral Finances and Consumer's Behavior</i></p>	<p>Irina Petkova Kazandzhieva-Yordanova, Ph. D. <i>Academic staff member</i> <i>University of National and World Economy</i></p>	<p>University of Agder, Kristiansand, Norway</p>	<p>1700 €</p>	<p><i>Project activities:</i> <i>Delivering a lecture in the field of Behavioral Finances. Attending a lecture in the field of Consumer's Behavior. Exchange of experience. Discussion of curricula in Behavioral Finances and Consumer's Behavior, as well as on possible joint projects</i></p> <p><i>Mobility period:</i> <i>1 week in September 2015</i></p>

5	<i>Measuring skin impedance under stress conditions</i>	Valentin Stoyanov Mollov, Assoc. Prof., Ph. D. <i>Academic staff member Technical University of Sofia</i>	<i>University of Oslo, Norway</i>	1700 €	<i>Project activities:</i> <i>Exchange of experience and implementation of research on the effect of various stress factors onto the values of human skin impedance, parameterization in frequency domain and study on the time factor. Qualitative and quantitative analysis of data from measurements and specification of the response with regards to the impedance/admittance in frequency domain for different types of stress factors.</i> <i>Mobility period:</i> <i>11-18.10.2015</i>
6	<i>The influence of human behavior onto the indoor environment parameters</i>	Martin Plamenov Ivanov, Ph. D. <i>Academic staff member Technical University of Sofia</i>	<i>University of Iceland, Reykjavik, Iceland</i>	1700 €	<i>Project activities:</i> <i>Participation in round table discussion on “The influence of human behavior onto the indoor environment parameters” aimed</i>

					<p><i>to prepare analysis of behavioral aspects related to change of microclimate parameters. Introduction with a specialized software package for prediction, analysis and evaluation of human behavioral models.</i></p> <p>Mobility period: 1 week, starting from 19.10.2015 on</p>
7	<p><i>Mastering molecular methods for diagnostics of fungal plant pathogens</i></p>	<p>Aneliya Sabinova Kutseva, M. Sc. <i>Researcher</i> <i>Institute of Agriculture – Kyustendil</i></p>	<p>Bioforsk (Norwegian Institute for Agricultural and Environmental research), As, Norway</p>	<p>2500 €</p>	<p>Project activities: <i>Exchange of experience in diagnostics of fungal plant pathogens. Mastering innovative methods in this field. Implementation of research activities.</i></p> <p>Mobility period: 12.10-01.11.2015</p>
8	<p><i>Participation in a training course entitled “Structured study visits in schools/institutions</i></p>	<p>Diana Dimitrova Popova, Assoc. Prof. Ph. D.</p>	<p><i>English Matters S.L. – Reykjavik, Iceland</i></p>	<p>1700 €</p>	<p>Project activities: <i>Participation in a training course entitled “Structured study visits in schools/institutions and a</i></p>

	<i>and a training seminar”</i>	<i>Academic staff member Free University of Bourgas</i>			<i>training seminar” Mobility period: 06-12.09.2015</i>
--	--------------------------------	---	--	--	---

LIST OF PROJECT PROPOSALS POSTPONED FOR THE NEXT MEETING OF THE SELECTION COMMITTEE

MOBILITY OF ACADEMIC, RESEARCH AND ADMINISTRATIVE STAFF COMPONENT

Project	Name	Candidate	Partner	Budget(EEA Grant)	Project description
1.	<i>Does high density of Didymosphenia geminata influence onto benthic communities?</i>	Vesela Vasileva Evtimova, Ph. D. <i>Researcher Bulgarian Academy of Sciences – Institute for Biodiversity and Ecosystem Research</i>	<i>University of Reykjavik, Iceland</i>	2500 €	<i>Project activities:</i> <i>bibliographic study, selection and research of base and potentially contaminated with Didymosphenia geminata samples; on the spot visits and field work with peers. Work shadowing with David Finger, Ph. D. Preparation of a joint paper.</i> <i>Mobility period:</i> <i>3 weeks between August 2015 and March 2016</i>
